DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 1-6, 8-12, 14-16 and 23-27 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 1, line 26, "its respective time marker" is ambiguous since there appears to be two time markers that are attached--the first in line 18 and the second in line 20. It is not clear whether the respective time marker is the first or the second time marker or both.

Claim 2, line 1, "prioritizing" is ambiguous since there are two steps of prioritizing in claim 1--the first in line 6 and the second in line 17.

Claim 8 is ambiguous since it is not clear whether these are additional steps or whether these are duplicative steps that have already been previously recited in claim 1, lines 15-17.

Claim 12, line 4, "its respective time marker" is ambiguous since there are two time markers recited as being attached in claim 1, line 18 and line 20. Note that line 5 also recites "the time marker".

Claim 23, line 29, "its respective time marker" lacks a proper antecedent basis since there is no previous recitation of the time marker in the claim.

Allowable Subject Matter

3. Claims 28-31 are allowed.
4. Claims 1-6, 8-12, 14-16 and 23-27 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
